March 2022 www.weeknowschool.com

Wee Know School

A Nationally Accredited 5 Star Center

Our school will be filled with the many colors of the rainbow this month and classes will enjoy some of the colorful and entertaining books written by Dr. Seuss as we celebrate his birthday. We're ready to say good-bye to winter and hope to welcome some warmer and sunnier days. With Spring arriving later in the month, it's a good time to enjoy some outdoor time with your child exploring all the changes in nature that will be happening.

HAPPY BIRTHDAY DR. SEUSS!

In celebration of Dr. Seuss' birthday, we'll start the month with two "all school" activities:

* **"MISMATCH DAY"** on Monday, Feb. 28th
* "Crazy Hat Day" on Tuesday, March 1st!

Classrooms will also be planning some of their own special activities.

SUMMER AND FALL AVAILABILITY

Many of our summer classes are full or almost full. If you haven't registered yet, and would like your child to attend, please contact our office to see what is available in your child's age group. Fall classrooms are also filling quickly, so reserve your spot now to be assured of care for your child this fall.

SPRING BREAK INFORMATION

(March 21- 25)

* Morning "**Preschool Only**" children will not have school this week. Preschool resumes on March 28.

* Wee Know will be open our regular hours for "**Extended Care**" children. Families are billed as usual for their weekly contracted hours. Please notify our office if your child will not attend any days this week. Thank you!

CARDINAL NEWS

From Mrs. Carr & Mr. John

Much of February was enjoyed indoors due to the bitter cold temperatures but there was no shortage of fun and learning to be had in the Cardinal classroom. We started the month learning about pets and then about being a good friend and Valentine's Day. We celebrated with a fun PJ's and Pancake Party and a Valentine exchange. Thank you, Cardinal families, for all the party supplies! During our Kings and Queens unit the Cardinals enjoyed making crowns with jewels. We wrapped up February with a transportation unit where we learned which vehicles move on land, water and by sky, creating hot air balloons for art, painting with trucks, and playing in the sensory table with diggers, dump trucks and rubber chips for scooping and loading.

CARDINAL SIGN IN

We continue to have the name cards out each morning for the Cardinals to spell their names. We encourage the parents to practice this skill with their child at home. Remember to ONLY use a capital letter for the first letter in their name with lowercase following. This is a hard habit to break once they are in 4K/5K. Praise your Cardinal as he/she undertakes this new skill.

MARCH THEMES

Feb. 28-March 4

Dr. Seuss; "Tt"

"The more that you read, the more things you will know. The more that you learn, the more places you'll go." - Dr. Seuss Children love to hear the playful language and rhymes in Dr. Seuss books. Playing with language help create strong literacy skills. This week we will read together, paint with wacky tools, complete Dr. Seuss patterns and enjoy many other activities in celebration of this astounding author.

March 7-11

Space; Review Q, R, S, T

"S" is for Space! Watch as our room is transformed to a new dimension. We will create moon paintings with foil, design alien headbands, marble paint planets and learn two new space songs.

March 14-18

Shamrocks & Rainbows; "Uu & Vv"

A wee bit of the Irish will visit our room this week as we keep our eyes open for those mischievous Leprechauns. We will learn the colors of the rainbow this week by painting, sorting, and completing a rainbow skittle science experiment. See Calendar for wearing special colors each day this week.

March 21- 25

No School- Spring Break

Mar 28-Apr 1

Spring has Sprung! "Ww"

It's time to look for those wonderful signs of Spring as flowers bloom and baby animals are born. We will learn about growing plants and flowers by planting our own seeds and figuring out what factors are needed for the growth of a plant or flower.

Color: Green
Shape: Oval
