ORIOLE NEWS

From Ms. Sky & Ms. Kimberly

December is always such a magical month with the children. We learned all about the sights and smells of Christmas and enjoyed making decorations and Christmas cookies to celebrate our Holly Jolly Oriole Party. We also painted snowflakes, peppermint candy canes and Christmas trees. We sang Jingle Bells; I'm a Little Santa and Santa Claus is Coming to Town. The Orioles celebrated with two "Christmas Jammie" days with cookies that we decorated and a special holiday story. As fun as that was, we look forward to bringing in a New Year and saying goodbye to 2023, hello 2024!

JANUARY THEMES

Jan. 3-5

WINTER WEATHER

As we head into January, the Orioles will learn about the season "winter". We will transform our dramatic play center into an ice cream shop, create painted scenes at the easel and winter trees for art. We will enjoy some fresh air as we have fun sledding and making snow angels, if there's snow and talk about appropriate winter clothing.

Jan. 8-12

SNOW

This week we will continue to learn about snow and ice. We will build our own special snowmen, either with faux snow or outside with snow, and discuss what keeps them cold and makes them disappear. We will read Snowmen at Night, which is a sweet story about snowmen coming alive at night and the fun things they do.

Jan. 15-19

ANIMALS IN WINTER

Brrr, its cold outside. This week we will learn about all the arctic animals that love the cold weather. We will use them to make patterns, order them by size and create animal art. We will also introduce the Orioles to an "igloo".

Jan. 22-26

ICE

The Orioles will do fun science experiments that include salt and ice melt, fizzing ice and many more. We will paint frozen ice and go "ice fishing".

Jan. 29-Feb. 2

FEELINGS

The Orioles will talk all about feelings and our emotions and why we feel a certain way. We will read The Pout-Pout Fish and discuss how to manage "big" feelings. Our art activities will also help learn about our feelings.

WINTER GEAR

Please continue to send labeled outdoor gear (mittens keep hands warmer than gloves.) each day they are at school as we will go outside if the temperature is above 20° with the wind chill and time permits. We will send winter gear home at the end of each week.
