

# WEE KNOW SCHOOL

Each April, Early Childhood providers nationwide celebrate “*Week of the Young Child*”. This week gives us all an opportunity to reflect on our responsibilities and the importance of promoting positive early learning experiences to children at home, school, and in our community. It is a time to recognize Early Childhood teachers and other professionals who provide programs and services to children during these key years of development. We’ll celebrate each day this week (listed below) with special “all school” activities!

## ROBIN NEWS

from Mrs. Barker & Ms. Becki

The month of March was busy with all the fun themes and activities. We read books for literacy week, learned and discussed many types of transportation, made egg and bunny art to decorate the Foyer and learned the colors of the rainbow. We danced to the “Hokey Pokey” and “Mother Goony Bird” and did some “egg”-xperiments with eggs and vinegar! Hopefully everyone had a relaxing Spring Break. Look below to see what April has in store for us!

Where do wild animals live? We’ll find out as we learn more about them and their habitats.
