

Wee Know School

A Nationally Accredited 5 Star Center

Our school will be filled with the many colors of the rainbow this month and classes will enjoy some of the colorful and entertaining books written by Dr. Seuss as we celebrate his birthday. We're ready to say good-bye to winter and hope to welcome some warmer and sunnier days. With Spring arriving later in the month, it's a good time to enjoy some outdoor time with your child exploring all the changes in nature that will be happening.

HAPPY BIRTHDAY DR. SEUSS!

In celebration of Dr. Seuss' birthday, we'll start the month with two "all school" activities:

- * "MISMATCH DAY" on Monday, Feb. 28th
- * "Crazy Hat Day" on Tuesday, March 1st

Classrooms will also be planning some of their own special activities.

SUMMER AND FALL AVAILABILITY

Most of our summer classes are full or almost full. If you haven't registered yet, and would like your child to attend, please contact our office to see what is available in your child's age group. Fall classrooms are also filling quickly, so reserve your spot now to be assured of care for your child this fall.

SPRING BREAK INFORMATION

(March 21- 25)

- * Morning "**Preschool Only**" children will not have school this week. Preschool resumes on March 28.
- * Wee Know will be open our regular hours for "**Extended Care**" children. Families are billed as usual for their weekly contracted hours. Please notify our office if your child will not attend any days this week. Thank you!

BLUEBIRD NEWS

From Ms. Zajc & Mr. Peter

February was a busy month as we celebrated Valentine's Day with a chicken nugget party and dived deeper into what it means to be a good friend. Thank you to those who brought donations for this special day! In honor of the Winter Olympics, we learned all about the Olympics. The children had a blast during our opening ceremony and showed off their skills in each Olympic event they completed.

BLUEBIRD SIGN IN

This month we started to have name cards out each morning for the Bluebirds to spell their names. We encourage the parents to practice this skill with their child at home. Remember to ONLY use a capital letter for the first letter in their name with lowercase following. This is a hard habit to break once they are in 4K/5K. Praise your Bluebird as he/she undertakes this new skill.

MARCH THEMES

Feb. 28-March 4

Dr. Seuss; "Rr"

"The more that you read, the more things you will know. The more that you learn, the more places you'll go," Dr. Seuss. This week we will read some of the many fun stories by this well-loved author. The Bluebirds will do art with wacky tools, sing songs, paint together and make a fun Dr. Seuss themed snack!

March 7-11

Dinosaurs; "Ss"

"Stomp, Stomp! Here come the dinosaurs! This week we will learn about different dinosaurs and what they ate. We will even "dig" for bones and make some fun crafts!

March 14-18

Shamrocks & Rainbows; "Tt"

Leprechauns, rainbows and shamrocks, oh my! This week the Bluebirds will turn a wee bit Irish as we decorate our classroom in green, learn a finger play about "The 5 Little Leprechauns", and learn the colors of the rainbow by creating a 3D rainbow art project!

March 21- 25

Children's Choice

The children will get a chance to choose some of our center activities! We will create lots of free art using different mediums and get in some outdoor exploration with the warmer weather approaching.

March 28-April 1

Spring is Here! "Uu"

Yay, it's finally time to look for those glorious signs of spring! We will learn about growing plants and what they need for their life cycle and look for the return of birds and other insects.
