

WEE KNOW SCHOOL

This April we celebrate the 50th anniversary of “*Week of the Young Child*” (April 4-8). We have a variety of activities planned throughout this special week. Later this month “Great Scott” will present an amazing and entertaining magic show for all classes, and on Earth Day we’ll focus on our planet and how to keep it healthy!

WEEK OF THE YOUNG CHILD” APRIL 4-8, 2022

“Week of the Young Child” is a nationally recognized week set aside to celebrate young children and to bring issues about their care and education into the public spotlight. It is a time to show support for teachers and other professionals who provide programs and services for children. We also want to create opportunities to educate everyone about the responsibility of ensuring a healthy future for our children and our communities.

- * **Monday** **Masterpiece Monday:** Children will create a collaborative piece with a special guest artist.
- * **Tuesday** **Tasty Tuesday:** Let’s make dirt cake for snack.
- * **Wednesday** **“Get Out & Play”:** Wear your Wee Know shirt
- * **Thursday** **Hero Day & Popcorn at dismissal:** Come dressed as your favorite hero! (Ex. Spider man, police officer, mom)
- * **Friday** **Pajama Day:** Come in your favorite PJs, slippers, and bring a stuffed animal.

WEE KNOW EASTER EGG HUNTS

Our playground will be filled with colorful candy filled eggs for our Egg Hunts on April 13th & 14th. In case of inclement weather, we’ll move to the gym. Each child will receive a goodie bag whether they’re here to participate or not. If a few parents from each classroom could donate ONE small bag of wrapped candy to supplement our supply, it would be greatly appreciated. (Remember candy item must fit in a small plastic egg.) Please bring donations by April 1st so we have time to fill the eggs. THANK YOU!

HUMMINGBIRD NEWS

from Mrs. Lynn-Murphy & Mrs. Friend

We welcomed the month of March celebrating the silly world of Dr. Seuss and his birthday and patterning cat in the hats! Everyone enjoyed the book, Hop on Pop and we dabber-dotted that yellow cat with different colored spots! We enjoyed exploring rainbows. Our friends worked on giant rainbow collages. The Hummingbirds were intrigued with our rainbow experiment where colors jumped from cup to cup via absorption (paper towel) to mix and make new colors. We enjoyed finally getting outside a little this month- we love getting fresh air. We started searching for signs of spring and determined it is on the way! We hope you all enjoyed your Spring break.

APRIL CONCEPTS

Shape: oval **Color:** orange & white **Numbers:** 5 & 6 **Letters:** U, V, W, X

In April we will continue to seek out signs of spring. We will create some fancy dirt cakes for snack and dress like our favorite hero. We will plant a grass caterpillar and read The Very Hungry Caterpillar. We will watch for birds to make nests and will make our own in the classroom. After dying some eggs, we will make eggshell collages. We will enjoy a magic show on April 19 and will create bird feeders to celebrate Earth Day.

MOVING UP!

With two months remaining in this school year, we want to remind parents that a requirement to transition to the 3K program is having your child toilet trained and wearing cloth underwear. Please see a teacher if you would like any tips/suggestions to begin the process. (This includes children attending this summer!)

LOOKING AHEAD...

PARENT/TEACHER CONFERENCES

Conferences for the Hummingbird class will be held on Wednesday, May 18th. There will be a sign-up genius emailed for conferences in early May. Conferences will be offered to meet in person or via phone call, will last about 15 minutes and are **optional**. We will provide a written evaluation for all children, whether a parent elects to attend a conference. Please reach out to a teacher if the day/times do not work for you.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
