## OWL NEWS

From Mrs. Denison & Ms. Kerri

Happy New Year! What a wonderful final month of the year 2023 we had! It was such a joy to be with the children all month as we prepared for Christmas, making parent gifts & cards. We were touched as they focused so eagerly on the act of giving rather than merely receiving. It was such fun to also hear about their family traditions! In addition to preparing for Christmas and hearing about different family traditions, the Owl class learned how other countries celebrate Christmas. They made fireworks for Brazil, Mexican luminaria candles, French yule log ornaments, and German star ornaments. Everyone also enjoyed baking in our dramatic play Christmas bakery and wrapping presents in Santa's workshop! The excitement culminated with our "Jammies & Cookies" days when we got to decorate and eat delicious cookies in our pajamas! The children also were very excited when Santa responded to their letters and got magic reindeer food to spread out on the lawn on Christmas Eve!

## JANUARY HAPPENINGS

### Jan. 2-5 Winter; Letter "Jj"; Number "10"; Sight Word "it"

This week we will focus on "Winter". Be prepared for some outdoor fun! If it snows, the Owls will go sledding, build snowmen, and play in the snow! We will conduct science experiments with snow/ice, talk about outdoor plants, and compare animals that hibernate with those that stay awake.

### Jan. 8-12 Winter; Letter "Kk"; Number "10" Review; Sight Word "and"

Our "Winter" theme will continue this week with our focus on Arctic animals. How do they live in the cold weather? What do they eat? Where are their homes?

Jan. 15-19

**Our Community: Places in Our Community; Letter “Ll”; Number “11”; Sight Word “and” Review**

For the next two weeks in January, we will explore our community and where we live. Our discussions will include places in our community: the fire station, police department, post office, grocery store, restaurants, etc.

Jan. 22-26

**Our Community: Community Helpers; Letter “Mm”; Number “11” Review; Sight Word “up”**

This week we will learn about community helpers and their jobs. We will make a classroom book to share our students’ ideas on what they would like to do when they grow up.

Jan. 29-Feb. 2

**Transportation; Letter “Nn”; Number 12; Sight Word “at”**

We will continue our community theme by learning about the different types of transportation that can be found in a community. We will experiment with ramps and what makes cars go faster or slower, as well as create our own forms of transportation.

**SAVE THE DATE**

Be on the lookout for an invitation to our Owl Winterfest on Wednesday, January 24<sup>th</sup> from 5:30-6:30pm! This will be an evening of winter fun. More information to come!
