

ROBIN NEWSLETTER

"A Five Star, Nationally Accredited Center"

Welcome to our Wee Know Robin classroom! We are excited to meet all the new Robin children and families! This year we plan to introduce our preschoolers to many interesting concepts that help them learn about themselves and the world around them in a supportive and nurturing environment. It is our belief that children learn through play and exploration. Through each topic your child will discover and practice new skills that will ultimately help them grow in social and emotional confidence, giving them a strong foundation for future learning.

Meet the Teachers

The Robin teaching team includes Sue Barker and Becki Anderson.

Sue Barker: Will be the lead teacher in the Robin room and has been at Wee Know since 2019. She lives in North Lake with her husband, and has 4 children, ranging in age from 17-30. She enjoys reading, gardening, and traveling. Sue is looking forward to many fun learning experiences with your children this year.

Becki Anderson: Is joining the Wee Know team this year. She has a degree in Exercise & Sports Science from UW-LaCrosse, to which she taught K-12th grade Physical Education. She looks forward to using her previous experience to incorporate fun learning activities while the children move and play.

SEPTEMBER ACTIVITIES & THEMES

Sept. 6 – 15

Getting Acquainted and Staying Healthy The school year will begin with discussion about making new friends as we become familiar with one another and our classroom. We'll also talk about basic school rules, safety, and staying healthy. Our Robins will enjoy the process of "free art" and have a daily snack as we discover new friendships. We will explore our inside and outside play areas.

Sept. 18-22

Apples: "Aa" As we progress into this new school year, we like to talk about something the children know lots about ...who doesn't have a favorite variety and color of apple? We will discover the mystery of the star inside apples and will learn some new songs, rhymes, and poetry.

Sept. 25-29

Fire Safety and Prevention; "Bb" We will gently introduce fire safety for home and school at a comfortable level for your child. Our classroom will feature dramatic play and large motor opportunities for fighting fires and practicing "stop, drop and roll."
