

WEE KNOW SCHOOL

Each April, Early Childhood providers nationwide celebrate “*Week of the Young Child*”. This week gives us all an opportunity to reflect on our responsibilities and the importance of promoting positive early learning experiences to children at home, school, and in our community. It is a time to recognize Early Childhood teachers and other professionals who provide programs and services to children during these key years of development. We’ll celebrate each day this week (listed below) with special “all school” activities!

“WEEK OF THE YOUNG CHILD”

APRIL 8-12, 2024

- * **Monday** **Masterpiece Monday:** Children will create a collaborative piece with a special guest artist.
- * **Tuesday** **Tasty Tuesday:** We will make Graham cracker fruit pizzas.
- * **Wednesday** **Get Out & Play: 10-11:30am** Wear your Wee Know shirt today!
- * **Thursday** **“Wildlife In Need”:** Will visit our school with some special visitors.
- * **Friday** **Pajama Day:** Come in your favorite PJs, slippers, and bring a stuffed animal.

ORIOLE NEWS

from Ms. Sky & Ms. Kimberly

We began the month of March with a celebration of Dr. Seuss’s birthday with literature abundant in rhyme and cooking green eggs and ham in our classroom. We drew luck and tried to catch a Leprechaun with a class made trap. But that sneaky Leprechaun got away! We finished March by talking about spring and Easter. The Orioles have been working extra hard spelling and writing their names. Great job to our Oriole friends!

APRIL HAPPENINGS

April 1-5

April Showers

April showers bring forth May flowers. April is a rainy month so we will talk all about spring weather, clouds, and rain. We will create some “rainy-day” art to decorate our class and hall.

April 8-12

Garden

This week we will continue to watch for the growth of our plants and learn about what is needed to help them grow. We will discuss what types of plants can grow in a garden. In our dramatic play area, the children will enjoy buying and arranging flowers in the Oriole Flower Shop.

April 15-19

Bugs & Butterflies

We’ll follow the life cycle of the butterfly this week. How do they transform into a beautiful butterfly? We will also investigate the creepy, crawly creatures that live outside.

April 22-26

Earth Week

The Orioles will focus on the importance of our environment this week. We’ll spend extra time outside sharing Mother Nature’s love with our students and discovering how and why nature changes on our nature walks. Our art activities will include using recycled materials.

April 29-May 3

Kites & Wind

We will discover and explore the wind this week. The Orioles will learn why we have wind and enjoy the fun of going outside to fly a kite.

PARENT/TEACHER CONFERENCES

Conferences for the Oriole class will be held Thursday, May 9th. There will be a sign-up genius emailed for conferences in late April. Conferences will be offered to meet in person, will last about 15 minutes and are **optional**. We will provide a written evaluation for all children, whether a parent elects to attend a conference or not. Please let Ms. Sky know if you need a special time or date. We will have class as usual on this day.
