

Wee Know School

A Nationally Accredited 5 Star Center

Our school will be filled with the many colors of the rainbow this month and classes will enjoy some of the colorful and entertaining books written by Dr. Seuss as we celebrate his birthday. We're ready to say good-bye to winter and hope to welcome some warmer and sunnier days. With Spring arriving later in the month, it's a good time to enjoy some outdoor time with your child exploring all the changes in nature that will be happening.

HAPPY BIRTHDAY DR. SEUSS!

In celebration of Dr. Seuss' birthday, we'll start the month with two "all school" activities:

* **"MISMATCH DAY"** on Monday, Feb. 28th

* **"Crazy Hat Day"** on Tuesday, March 1st

Classrooms will also be planning some of their own special activities.

SUMMER AND FALL AVAILABILITY

Most of our summer classes are full or almost full. If you haven't registered yet, and would like your child to attend, please contact our office to see what is available in your child's age group. Fall classrooms are also filling quickly, so reserve your spot now to be assured of care for your child this fall.

SPRING BREAK INFORMATION

(March 21- 25)

* Morning "**Preschool Only**" children will not have school this week. Preschool resumes on March 28.

* Wee Know will be open our regular hours for "**Extended Care**" children. Families are billed as usual for their weekly contracted hours. Please notify our office if your child will not attend any days this week. Thank you!

CANARY NEWS

From Mrs. Svehlek & Ms. Heather

February was so much fun in the Canary room! We enjoyed celebrating Valentine's Day with a PJ and pancake day and learned so much about kindness and being a good friend! Some highlights of the month were not only our celebration but also creating our heart art, a "snowball" fight in the gym and a favorite book, Pete the Cat and the Groovy Playdate! This book helped us learn that kindness and sharing is COOL and makes everyone happy! Thank you to all who brought in donations for our Valentine's Day celebration!

LOOKING AHEAD...

MARCH CONCEPTS & THEMES

Shape: diamond

Colors: yellow

Numbers: 10

Letters: Q, R, S, T

We will welcome March with the hopes of sunny days and warmer spring-like weather. (fingers crossed!) We will explore Dr. Seuss and Pete the Cat books this month as well as the Chicka Chicka Books.

We will bring "spring" inside with the topic of rainbows. The Canaries will learn the color sequence through art, and books. The week of March 14th, we invite the Canaries to come in specific rainbow colors each day. Check out the calendar for more details.

CANARY NAME RECOGNITION

We continue to work on name recognition at transition and snack times. We are so proud of the Canaries; they are doing a great job recognizing their own names as well as their friend's names! They are listening to the sound of the first letter and matching it to the correct name! (i.e. "P is for Piper!")

MOVING UP!

With three months remaining in this school year, we want to remind parents that a requirement to transition to the summer & 3K program is having your child toilet trained and wearing cloth underwear. Please see a teacher if you would like any tips/suggestions to move forward in the process.
