

HUMMINGBIRD NEWSLETTER

"A Five Star, Nationally Accredited Center"

Welcome to our Wee Know Hummingbird classroom! We are excited to meet all the new Hummingbird children and families! This year we plan to introduce our preschoolers to many interesting concepts that help them learn about themselves and the world around them in a supportive and nurturing environment. It is our belief that children learn through play and exploration. Through each topic your child will discover and practice new skills that will ultimately help them grow in social and emotional confidence, giving them a strong foundation for future learning.

Meet the Teachers

The Hummingbird teaching team includes Erin Nelson and Rylee Grunden

Erin Nelson is over the moon excited to embark on her first year at Wee Know! She ran an in-home daycare for the past seven years with infant to school age children. Prior to her daycare, she was a second-grade teacher for 13 years. She is looking forward to meeting all the Hummingbirds and their families! Stop in and say hello!

Rylee Grunden started working at Wee Know in September 2023 in the Chickadee classroom. She is excited to learn and grow with your Hummingbirds this school year. Prior to working at Wee Know, Rylee was in nursing school where she got her LPN. She can not wait to meet all the Hummingbirds and their families!

September 4 – 13 **Getting Acquainted**

During the first two weeks of school, we will focus on our new school community. We will get acquainted with new friends, become familiar with classroom routines and dive into the engaging learning centers in our class. The Hummingbirds will use their imaginations to create artwork to adorn our new classroom.

September 16-20 **My Family & Me**

During this week we are going to learn all about ourselves and each other! We will talk about our bodies, faces, what makes us special and our families. We will share our family pictures with our friends that we brought from home.

Sept. 23 – 27 **All About Apples**

We will end this month learning about apples. We will paint, count, and cook with apples, getting ready for some fall fun next month. We are looking forward to a visit from the fire department this week also!

Your Hummingbird Teachers,

Mrs. Nelson and Ms. Rylee
