

WEE KNOW SCHOOL

"A preschool experience providing quality early childhood education in a loving environment!"

It's been a beautiful October with colors galore! Fall hikes, field trips, pumpkin picking and carving were just some of the month's activities. With cooler temperatures upon us please make sure your child always has appropriate outdoor clothing each day. Conferences will be held this month. Dates and sign-up information are in your classroom news. Wee Know will be closed on Thursday and Friday, Nov. 23rd and 24th for the Thanksgiving holiday. Enjoy this special time with your family!

INDEPENDENCE SKILLS

As the school year progresses our teachers encourage independent skills as the children are ready. Presently, upon arrival they hang up their coats and bring lunches/water bottles to the designated classroom area. Throughout the day they are learning to do many things on their own... hand washing, bathroom procedures, after play and lunch clean-up, etc. We ask parents to encourage these tasks at home. It may take a bit more time, however, the overall pride of accomplishing these skills builds confidence in each child which is very important in their overall development!

PARENT-TEACHER CONFERENCES

Throughout the month classes will hold parent-teacher conferences. Please watch your email for a Sign-Up Genius invitation to reserve a date and time to meet with your child's teacher. Our teachers look forward to meeting with you to discuss your child's social and emotional adjustment. Conferences will be 15 minutes in length and are optional. Check the classroom calendar on back of this newsletter for conference dates. *Please note that class will be in session on these days.

ROBIN NEWS

from Mrs. Barker & Ms. Becki

We had a wonderful month together and fall is definitely here! The Fire Department visits were exciting and informative. We all had a great time finding a pumpkin, listening to a story, and doing a craft at Ebert's. Thanks to all our parents who came with!

During the month of October, we focused on the children's self-help skills such as putting on their own jackets with little or no help, math skills as we acted out the "5 Little Pumpkins" and our cutting skills, too! We searched for creepy crawly spiders amongst colored rice in our sensory table and pounded golf tees in our enormous pumpkin. We went on a "Bear Hunt" and practiced identifying the color orange (anaranjado) and the number (3). Our Costume Party with parents was a lot of fun and it was so great to see all the costumes! Thanks to all that attended.

Getting Ready for the Holidays "Ii"

Deck the halls! It is time to decorate the room and our Christmas tree and make special gifts for our families!

FAMILY TURKEY FEATHER PROJECT

Watch for a tag board feather shape to come home. Each family is asked to decorate the “feather” in any way they would like. Be “cre8tive” and use this as a fun family activity. Your child will have an opportunity to talk about their feather, as we assemble a beautiful “Tom Turkey” for the classroom. Feathers are due by Friday, November 3rd.

PARENT/TEACHER CONFERENCES

Our Fall Progress Conferences will be held on November 14-16th during the afternoon. The Robin teachers look forward to discussing your child’s social/emotional adjustment to our classroom with you. Watch for an email to sign-up for a time through Sign-Up Genius. Class will be in session these days. Please message Mrs. Barker if you would need to schedule another day or time to meet.

WINTER CLOTHING

Cool weather is here! Please LABEL all snow gear items with your child’s name – BOTH boots, EACH mitten, etc. Each year we have many duplicate boots and snow pants. We strive to go outside each day there isn’t inclement weather. Please be sure your child has appropriate outdoor clothing every day they attend. If you have extra snow gear, feel free to keep a set as school for your convenience.
