

Wee Know School

A Nationally Accredited 5 Star Center

Shamrocks and rainbows will decorate our school this month! We'll focus on the importance of literacy as we celebrate the birthday of the famous children's author Dr. Seuss. Take time to enjoy a few books with your child this month. Include him/her in the story by asking questions and talking about the pictures in the book to help increase verbal skills. It's also a great way to spend a little "one on one" time with your child!

HAPPY BIRTHDAY DR. SEUSS!

We'll begin the month with two "all school" activities to celebrate Dr. Seuss' unique and funny writing style:

- * "MISMATCH DAY" on Wednesday, Feb. 28th
- * "Silly Hat Day" on Thursday, Feb. 29th

Classes will also plan their own special activities.

SUMMER AND FALL AVAILABILITY LIMITED

If you have not registered yet and would like your child to attend this summer or fall, please contact our office ASAP to see what is available in your child's age group. CARDINAL NEWS

From Mrs. Carr, Mr. Peter & Ms. Anne

We started the month of February learning about pets and then about being a good friend and Valentine's Day. We celebrated with a fun PJ's and Pancake Party and a Valentine exchange. Thank you, Cardinal families, for all the party supplies! During our Kings and Queens unit the Cardinals enjoyed making crowns and using our best royal manners. We wrapped up February with a transportation unit where we learned which vehicles move on land, water and by sky, creating hot air balloons for art, painting with trucks, and playing in the sensory table with diggers, dump trucks and rubber chips for scooping and loading.

CARDINAL SIGN IN

We continue to have the name cards out each morning for the Cardinals to spell their names. We encourage parents to practice this skill with their child at home. Remember to **ONLY** use a capital letter for the first letter in their name with lowercase following. This is a hard habit to break once they are in 4K/5K. Praise your Cardinal as he/she undertakes this new skill.

MARCH THEMES

Feb. 26-March 1

Dr. Seuss; "Rr"

"The more that you read, the more things you will know. The more that you learn, the more places you'll go." - Dr. Seuss Children love to hear playful language and rhymes in Dr. Seuss books. Playing with language helps create strong literacy skills. This week we will read together, paint with wacky tools, complete Dr. Seuss patterns and enjoy many other activities in celebration of this astounding author.

March 4-8

Space; "Ss"

"S" is for Space! Watch as our room is transformed to a new dimension. We will create moon paintings with foil, suncatchers, special sun painting and learn two new space songs. **We hope to see you at our Cardinal Art night on Tuesday!**

March 11-15

Shamrocks & Rainbows; “Tt”

A wee bit of the Irish will visit our room this week as we keep our eyes open for those mischievous Leprechauns. We will learn the colors of the rainbow this week by painting, sorting, and completing a rainbow skittle science experiment. See Calendar for wearing special colors each day this week. **Reminder: Planetarium field trip on Tuesday.**

March 18- 22

Spring has Sprung! Review “Q, R, S, T”

It’s time to look for those wonderful signs of Spring as flowers bloom and baby animals are born. We will learn about growing plants and flowers by planting our own seeds and figuring out what factors are needed for the growth of a plant or flower.

March 25-29

Teacher’s Choice

Our attendance will be lower due to Preschool Only children being on spring break. We will create lots of free art using different mediums and get in some outdoor exploration with the warmer weather approaching.
