

Wee Know School

A Nationally Accredited 5 Star Center

Shamrocks and rainbows will decorate our school this month! We'll focus on the importance of literacy as we celebrate the birthday of the famous children's author Dr. Seuss. Take time to enjoy a few books with your child this month. Include him/her in the story by asking questions and talking about the pictures in the book to help increase verbal skills. It's also a great way to spend a little "one on one" time with your child!

HAPPY BIRTHDAY DR. SEUSS!

We'll begin the month with two "all school" activities to celebrate Dr. Seuss' unique and funny writing style:

* **"MISMATCH DAY"** on Wednesday, Feb. 28th

* **"Silly Hat Day"** on Thursday, Feb. 29th

Classes will also plan their own special activities.

SUMMER AND FALL AVAILABILITY LIMITED

If you have not registered yet and would like your child to attend this summer or fall, please contact our office ASAP to see what is available in your child's age group. ROBIN NEWS

From Mrs. Barker & Ms. Becki

Goodbye to February, the month of L-O-V-E and Hello to March, the month of S-P-R-I-N-G! We decorated our room with hearts and had a fabulous time at our PJ and Pancake Valentine Party. Thank you to the parents that donated items to make our party special. We really appreciate it! There were many discussions about being kind and different ways of showing love. The Robins have been working hard on tracing their names each morning and we have been encouraging them to try writing them on their own using lower case letters following the capital letter in their first names.

MARCH ADVENTURE PLANS

Shape: OVAL

Number: 8

Color: Purple/Morado

Feb. 26-March 1 Construction "Review"

Get your toolbelts ready...it's construction week! How are buildings made? Who makes the roads? We'll spend the week creating structures out of many kinds of blocks. Don't forget to be **mismatched** on Wednesday and wear your **silliest hat** on Thursday!

March 4-8

Eggs & Chicks

We will be "hatching" some "egg-speriments" this week and discussing other animals that hatch from eggs. We will be using dyed eggshells to make beautiful "Easter eggs" and making an adorable chick handprint. We will be dancing to a song the kids will love called "Mother Goony Bird".

March 11-15

Rainbows & Leprechauns "Ss"

A wee bit of the Irish will visit our room this week as we keep our eyes open for those mischievous Leprechauns. We will learn the colors of the rainbow this week by painting, sorting, and completing a rainbow skittle science experiment. We will even make a rainbow snack on our cooking days! See the calendar for wearing special colors each day this week.

March 18- 22

Bunnies "Tt"

What has two long ears, a fluffy tail and eats carrots? Yes, a bunny! Did you know that bunnies communicate with their feet? We'll be learning all about bunnies this week! We will be going to the Planetarium on Tuesday this week.
