

Wee Know School

"A Five Star Center"

The holiday season has arrived! Our classrooms will be filled with decorations, lighted trees, holiday stories and songs, and children creating special gifts just for you. Enjoy the feeling this beautiful season brings! We wish your family a very Merry Christmas and a healthy and happy new year!

LETTERS TO SANTA

This month the children will have an opportunity to send Santa a letter with a drawing of what they want for Christmas! Our teachers will include any special message they have for Santa. Each child will personally mail their letter by placing it in the mailbox located in our front foyer which magically whisks it off to Santa at the North Pole!

CARDINAL NEWS

From Mrs. Carr & Mr. John

November was so much fun between watching the fall colors change on our playground and enjoying the crisp cool mornings. We enjoyed learning about community helpers, like firemen, mail carriers, doctors and veterinarians. We learned farmers are the community helper who grows our food, which led us into our next theme, farm and the animals that live there. Then we talked and read about the first Thanksgiving and discussed what we are thankful for, with most answers being my mom and dad, brothers and sisters, grandmas, and grandpas and even a few pets. We want to thank you for taking the time to discuss your child's progress with us at conferences and we hope you all enjoy your Thanksgiving break. We are thankful for each one of our families, and each child in the Cardinal classroom.

CLASSROOM CELEBRATIONS

December is always an exciting month for children. Our classroom will come alive as we celebrate the holiday season. We will also be very, very busy working on our top secret Christmas presents for our families.....Shhh! Don't tell anyone! We will be stressing the "magic of the season". Look for our holiday decorations in our Facebook posts. Listen for new Christmas songs we learn and wrap your arms around your little Cardinal for a nice warm touch!

DRESS FOR THE WEATHER

Now that the days are getting colder, please note we try and go outside if the temperature is 20 degrees or above (this includes wind chill). Hats and mittens are recommended, as well. Mittens are easier and preferred. When the snow flies, boots and snow pants will be required to play outside. **Remember to label all clothing and both boots!!**
