# WEE KNOW SCHOOL

*"A preschool experience providing quality early childhood education in a loving environment!"*

It's been a beautiful October with colors galore! Fall hikes, field trips, pumpkin picking and carving were just some of the month's activities. With cooler temperatures upon us please make sure your child always has appropriate outdoor clothing each day. Conferences will be held this month. Dates and sign-up information are in your classroom news. Wee Know will be closed on Thursday and Friday, Nov. 23<sup>rd</sup> and 24<sup>th</sup> for the Thanksgiving holiday. Enjoy this special time with your family!

## INDEPENDENCE SKILLS

As the school year progresses our teachers encourage independent skills as the children are ready. Presently, upon arrival they hang up their coats and bring lunches/water bottles to the designated classroom area. Throughout the day they are learning to do many things on their own... hand washing, bathroom procedures, after play and lunch clean-up, etc. We ask parents to encourage these tasks at home. It may take a bit more time, however, the overall pride of accomplishing these skills builds confidence in each child which is very important in their overall development!

## PARENT-TEACHER CONFERENCES

Throughout the month classes will hold parent-teacher conferences. Please watch your email for a Sign-Up Genius invitation to reserve a date and time to meet with your child's teacher. Our teachers look forward to meeting with you to discuss your child's social and emotional adjustment. Conferences will be 15 minutes in length and are optional. Check the classroom calendar on back of this newsletter for conference dates. \*Please note that class will be in session on these days.

## OWL NEWS

from Mrs. Denison & Ms. Kerri

October has been such a fun and busy month! The children really enjoyed our Owl Apple Fest with all the festivities and getting to share in those festivities with their special visitors! They especially enjoyed the apple toss game and picking apples in the apple orchard in our dramatic play area! The fire department paid us a second visit and the children had lots of fun looking at the fire truck in our school parking lot! In addition to these fun events, the children took part in a few other fall activities this month, including our pumpkin farm field trip and our Halloween party. The children had lots of fun preparing for our Halloween party by carving our class pumpkin and decorating our room with jack-o-lanterns! We have also been working hard on printing names, playing with letters and sounds, and making class and individual books. And a BIG thank you to all who helped with supplying treats for the Halloween party! We really appreciate you!
