OWL NEWS

from Mrs. Denison & Ms. Kerri

April was a fun month with themes including spring, Easter, caring for the environment, and bugs, along with the "Week of the Young Child" celebrations. For our Easter theme, the children especially enjoyed dyeing eggs and hunting for Easter eggs. The Easter party was also a lot of fun! The children enjoyed a variety of games we had planned for the party, including bunny land, egg relay, and egg toss. Along with our Easter theme it was also the "Week of the Young Child". The children loved eating fruit pizza on Tasty Tuesday, going on the Easter egg hunts on Wednesday and Thursday, and pajama day on Friday! During our spring theme, we planted a class garden and our own popcorn plants. We graphed the number of days that it took for our plants to grow. During our caring for the environment theme, the children learned how to make paper out of recycled paper and created art all week using recycled materials. They learned the importance of recycling, saving energy, saving water, and protecting nature. Finally, during our bug theme, the children had fun looking for bugs outside and creating bug art.
