

Wee Know School

A Nationally Accredited 5 Star Center

Our school will be filled with the many colors of the rainbow this month and classes will enjoy some of the colorful and entertaining books written by Dr. Seuss as we celebrate his birthday. We're ready to say good-bye to winter and hope to welcome some warmer and sunnier days. With Spring arriving later in the month, it's a good time to enjoy some outdoor time with your child exploring all the changes in nature that will be happening.

HAPPY BIRTHDAY DR. SEUSS!

In celebration of Dr. Seuss' birthday, we'll start the month with two "all school" activities:

- * **"MISMATCH DAY"** on Monday, Feb. 28th
- * **"Crazy Hat Day"** on Tuesday, March 1st!

Classrooms will also be planning some of their own special activities.

SUMMER AND FALL AVAILABILITY

Many of our summer classes are full or almost full. If you haven't registered yet, and would like your child to attend, please contact our office to see what is available in your child's age group. Fall classrooms are also filling quickly, so reserve your spot now to be assured of care for your child this fall.

SPRING BREAK INFORMATION

(March 21- 25)

- * Morning "**Preschool Only**" children will not have school this week. Preschool resumes on March 28.
- * Wee Know will be open our regular hours for "**Extended Care**" children. Families are billed as usual for their weekly contracted hours. Please notify our office if your child will not attend any days this week. Thank you!

ROBIN NEWS

From Mrs. Baumgartner & Mrs. Barker

Goodbye to February, the month of L-O-V-E and Hello to March, the month of S-P-R-I-N-G! We decorated our room with hearts and had a fabulous time at our PJ and Pancake Valentine Party. Thank you to the parents that donated items to make our party special. We really appreciate it! There were many discussions about being kind and different ways of showing love. Eric Carle was our featured author/illustrator for Literacy week. The Robins have been working hard on tracing their names each morning and we have been encouraging them to try writing them on their own using lower case letters following the capital letter in their first names.

MARCH ADVENTURE PLANS

Shape: OVAL	Number: 8	Color: Purple/Morado
--------------------	------------------	-----------------------------

Feb 28 - March 4

Transportation "Tt"

It's time to explore the world of transportation in our classroom. We'll be discussing various modes of transportation: airplanes, trains, cars and boats...how many more can you name?!

March 7-11

DINOSAURS "Uu"

We will be learning all things **DINOSAURS**... names, size, what they eat and much more when we focus on this popular topic! The Robins will become paleontologists and we will explore the ancient creatures that walked the earth.

March 14-18

Shamrocks & Rainbows: "Vv"

A wee bit of the Irish will visit our room this week as we keep our eyes open for those mischievous Leprechauns. We will learn the colors of the rainbow this week by painting, sorting, and completing a rainbow skittle science experiment. See Calendar for wearing special colors each day this week.

March 21- 25

NO SCHOOL- SPRING BREAK

Mar 28-Apr 1

My 5 Senses!

Look with your eyes! Smell with your nose! Taste with your tongue! Touch with your fingers! Hear with your ears! Let's make new discoveries this week!
