## CARDINAL NEWS

From Mrs. Carr, Mr. Peter & Ms. Anne

December is always such a magical month with the children. We learned all about the sights and smells of Christmas and enjoyed making decorations for our very own Christmas tree in the Cardinal classroom. We also painted wreaths, peppermint candy canes and Christmas trees. We sang Jingle Bells; I'm a Little Santa and Santa Claus is Coming to Town. The Cardinals celebrated with two "Christmas Jammie" days with cookies that we decorated and a special holiday story. As fun as that was, we look forward to bringing in a New Year and saying goodbye to 2023, hello 2024!

## JANUARY THEMES

Jan. 2-5

### WINTERTIME

As we head into January, the Cardinals will learn about the season "winter". We will transform our dramatic play center into an ice cream shop, create painted scenes at the easel and winter trees for art. We will enjoy some fresh air as we have fun sledding and making snow angels, if there's snow.

Jan. 8-12

### SNOWMEN

This week we will continue to learn about snow and ice. We will build our own special snowmen, either with playdough or outside with snow, and discuss what keeps them cold and makes them disappear. We will read Snowmen at Night, which is a sweet story about snowmen coming alive at night and the fun things they do.

Jan. 15-19

### POLAR ANIMALS

Brrr, its cold outside. Let's learn about all the arctic animals that love the cold weather. We will use them to make patterns, order them by size and create animal art projects. We will also introduce the Cardinals to an "igloo". We will have handmade blue icebergs in our sensory table with penguins, polar bears and walruses to play and explore as well as paint snow.

**Jan. 22-26 HEALTHY HABITS**

This week we will talk about what healthy habits are and how the choices we make with food and hygiene (handwashing, brushing teeth and more) help us.

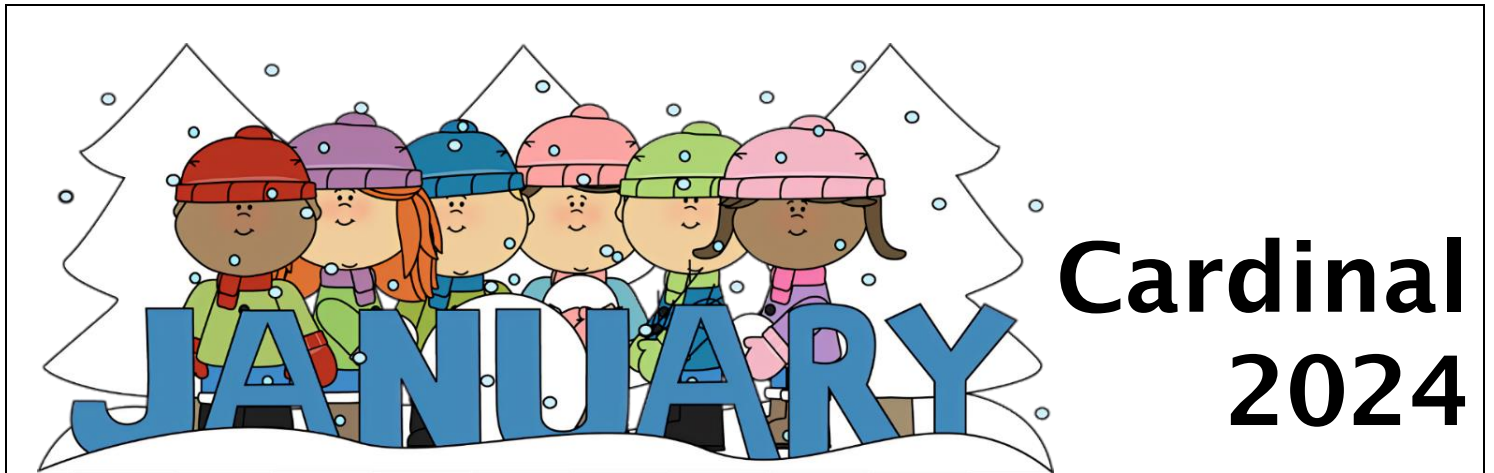

**Jan. 29-Feb. 2 PETS**

This week we will learn which animals make good pets and how we care for them and their homes. We will make paper plate dogs and pet fish for art. We will paint number 17 at the easel with yellow paint, our color of the week.

**WINTER GEAR**

Please continue to send labeled outdoor gear (mittens keep hands warmer than gloves.) each day they are at school as we will go outside if the temperature is above 20° with the wind chill and time permits. We will send winter gear home at the end of each week.
